

Principal's Message

“Here, learning goes beyond books.”

Dear Students, Parents, and Well-Wishers,

At MGM Public School, Kandanad, our guiding motto reflects our core belief — education is not confined to the pages of a textbook. We aim to nurture curious minds, instill strong values, and shape responsible citizens who are prepared to face the future with confidence and compassion.

Our school is a vibrant learning community where academic excellence goes hand in hand with co-curricular enrichment, character formation, and life-skill development. We strive to create meaningful learning experiences that inspire students to think creatively, explore fearlessly, and grow holistically.

With a team of dedicated teachers, supportive parents, and enthusiastic learners, MGM Public School continues to uphold high standards in education while fostering an environment of care, respect, and innovation.

I extend my sincere gratitude to all parents and well-wishers for their constant support and trust. Together, let us continue this journey of learning, growth, and excellence, ensuring that every child who walks through our doors becomes a lifelong learner and a compassionate human being.

Warm regards,

Mrs. Uma V
