PRINCIPAL'S DESK

Dear Parents, Students, and Staff,

February has been a month of dedication, reflection, and achievement for our school community. As we move towards the culmination of the academic year, our students and teachers have been working with great commitment to complete the curriculum and prepare for the upcoming examinations.

I appreciate the sincere efforts of our students and the continuous support provided by our teachers and parents in maintaining a positive learning environment.

This period also reminds us of the importance of perseverance, discipline, and confidence. We are pleased to inform you that admissions for the upcoming academic year are continuing for classes from Pre-KG to Plus One. If you are happy with the learning environment and values our school provides, we kindly request you to recommend our school to your circle of friends, relatives, and colleagues, so that more children may benefit from quality education.

I extend my heartfelt gratitude to our dedicated teachers, supportive parents, and enthusiastic students who make our school a vibrant place of learning. Let us continue to work together to inspire our children to dream big and achieve their goals.

Warm regards,

Principal, MGM Senior Secondary School, Kandanad - Ernakulam
