

ANNUAL REPORT 2022-2023

Good evening all.

A great saying goes so "Education is the passport to the future, for tomorrow belongs to those who prepare for it today I Mrs Raji.G principal in charge of MGM School Kaniyapuram much obliged to the trustees of MGM for helping me to handle my work with utmost dedication and sincerity. It is an enduring tradition to take time to pause, turn around to look at the fruitful year gone by, achieving both the expected and the unexpected, while setting various milestones and then synergizing ourselves to move ahead to face the challenges in the coming year, with a positive attitude. I have great pleasure in presenting to you the Annual Report of MGM School Kaniyapuram for the Academic Year 2022-2023. This year was a challenging one for us. With great contentment I can affirm that we have been able to bring our children back to the rhythm of learning. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality. The Annual Report showcases the achievements and glories of our school. , I take this opportunity to thank the Almighty God for His abundant, ineffable blessings and guidance. I wish to begin celebrating our success with an expression of gratitude to our illustrious management, whose vision wisdom and zeal inspired all stake holders to work with passion and commitment. We remember with gratitude every one of those who walked along with us –every student, every teacher and every parent who contributed his or her best to build this edifice of excellence

Re opening of the school

After a long gap, all our students were back to school and our teachers had a very tough time in bridging the gap of learning. The new academic year vivaciously started on 6rd June 2022 with much enthusiasm and lots of dreams. The guest of honour was Shri. S. Hari Kumar, President of Andoorkonam Grama Panchayath who came to felicitate.

Academics

Academic achievement can help the child develop important life skills. Getting good grades in school can help the child develop important life skills, such as time management and organisation. In the beginning of the academic year itself we planned the year plan and we following the the academics as per the year plan.MGM School Kaniyapuram focus on the academic achievements of the students by conducting monthly test papers .On daily bases we are conducting oral evaluation in all classes.The school conducted half –Yearly examination in all grades. We are giving lots of attention to our grade 10 th students. So we conducted two Pre model examination and 2 model exams. Remedial classes were given to the students who needs support from the Kg onwards. s

Academic Excellence :

"Excellence is an art won by training and habituation". Our students have re-phrased the history of our school with an exceptional and admirable result. In class 10, th our student Shruthi Jose secured A1 in all the subjects and 4 students secured A1 in 4 subjects. Out of 22 students. 16 Students secured distinction. 5 students come out with 1st class. Shruthi Jose became the school topper with 95 % Riyan S Jan secured the 2nd position and Diya fathima and Harris Muhammed shared the 3rd position. None of these achievements would have been possible without the single minded commitment and dedicated care of our teachers. We are also constantly encouraged by parents and well-wishers who have shown much confidence and given their fullest support. I wish to acknowledge the efforts and guidance of our management as their collaboration and contributions have made a difference.

Teacher Enhancement Programs :

We believe in equipping teachers to prepare the students for the future and to update their knowledge. So the school arranges a teacher orientation program every year and in 2022 it was both in virtual and conventional classes directed by CBSE and other agencies.

Achievements.

Thiruvanthapuram Sahodaya awarded toppers of grade 10 students who passed out with flying colours. From our school Shruthi Jose won the 1st position, Riyan S Jan secured the 2nd position and Diya fathima and Harris Muhammed shared the 3rd position

Hafiz Mohammed of grade VI had secured 1st prize in Light Music in State level Hindi Prachar Saba competition

For the first time our students participated in Sahodaya competition and we bagged the prizes for various events.

*Adra S Nair secured 2nd prize for English recitation Ridha fathima secured 3rd place for drawing competition, Akshai V Martin secured second place of painting and for group items we secured third place for dhaffmuttu and Kolkalli

*Abhinav Manoj of grade 1B secured 2nd rank in international level in SOF Olympiad English examination.

*Akshai V Martin, Huda Shafa and Safwana won the painting competition conducted by the Soil Research Center related to soil day.

*Hafiz Mohammed and Daya were selected for the State level Sahodaya competition and Daya secured A grade for Folk dance and Hafiz secured B grade for Light Music

Moving forward, towards the contribution of various departments and the activities conducted by them during the whole academic year

In Language department, a lot of emphasis was given on the four basic skills of language learning, so sessions for Poem recitation, Poster making and story-telling based on themes of the chapters, were conducted throughout the year. Even conducted various activities like seminars, debate, importance of Nadanpattu, newspaper reading competition, skit, photography day, poem recitation, making of riddles, guessing the words, just a minute competition, seminars, extempore. All these activities help them to develop their communication skills and aesthetic skills in our students

Science Department, focussed on different topics to create an awareness about our environment and how to protect it. They even conducted seminars, mime, quiz competitions street play, flash mob to enrich their knowledge in field of science

The Social Science Department organized a role play in which students enacted renowned personalities and shared their persona in the school assembly. "Disaster management week" was organized for the students in the month of October for classes VIII to X in order to make them familiar with the risks associated during a disaster and steps taken to mitigate them. Other competitions such as Poster making, International flag day, Tsunami day related poster making competition.

Maths Department: They conducted various sessions on how to calculate the numbers in easy way, crack the brain, working models etc.

Clubs :

Literary club, Maths club, Eco club, Health club, Heritage club, music club and cookery club were formed to create a dedicated study and interest in students in particular areas where they have more interest.

Cookery club was inaugurated on June 30th by focusing on the importance of healthy and nutritious food in students. They demonstrated a live cookery class to the students.

Maths and heritage club was inaugurated by Mr Aswin.S.B renowned cinematographer and photographer. A **Fashion Festa** was organized to have a glance through culture, heritage and ecstasy to show Indian Diversity

A good command over the language can unlock plenty of opportunities, keep this in mind a workshop was conducted by Mrs Lekshmy Rajan Director Wiggles Activity Centre to develop the communication skills in students. This session was organized by the Literary club.

Arts club conducted music Talent competition for students. The students were given to exhibit their talent in singing skills and also they conducted a competition.

Health club conducted an interesting session on Table Manners. It was the etiquette used while eating, which may include the use of utensils in a proper way. Grade 10 students took the initiative to in conducting the session.

Eco club members took the initiative to clean the Pothencode Bus depot and organized a street play to create an awareness about cleanliness. They even contribute dustbins to the pothencode bus depot.

All the in charges of club conducted various ,vibrant and innovative activities to the students to bring up their talents in their preferred areas.

Co-scholastic and Celebrations :

School Election

School elections are the cradle to democracy which give rights to elect the best person to lead us .

First time in the history of MGM School Kaniyapuram conducted an open election to elect the school representatives and House Captains. The election was conducted under the supervision the concerned authorities,

SCHOOL HOUSES

The students of the school are divided into 4 different houses Nalanda, Taxila, Vikra. mshila and Ujjain. Each house is managed by House Captains, Assistant House Captain, and House Prefects. The house on duty performs its duty of in a systematic and disciplined manner

Investiture ceremony

The Investiture ceremony was the solemn occasion where all the young students were prepared to don the mantle of leadership and discharge the responsibilities entrusted upon them by the school. We had Mr Ganesh Kumar Circle Inspector of police as our chief guest for the ceremony. They took the oath to assign their duties whole heartly. Followed by we had the march-past of all the houses escorted by the house captains and vice captains.

Our School not only focuses upon the intellectual development of our future generation, but also takes care of their emotional and behavioural development in their early ages of development by inculcating sound moral values, responsibility and social awareness. We are doing it through different co-curricular activities and school celebrations.

Our teachers put in their best efforts to ensure that our students are encouraged to present their talent. So we come up with an event named **Sargalaya** for the students to exhibit their hidden talents. Avani S.S the first runner up of Sa Re Ga Ma played the role of chief guest for the event. Almost all students took part in the cultural events and won the prizes.

Nallapadam

Nallapadam organized a counselling session to the students to empower them to face the challenges effectively. The session was conducted by Dr Priyanka SJ Assistant professor of Gregorian college and a clinical physiologist

As part of Nallapadam the students distributed lunch packet to the needful person in front of RCC Centre as a social service .

On behalf of Nallapadam the school took the initiative to distribute Onam –kit to vettukad Divya Shanth center and Vettinad Shanthi Manthiram Rehabilitation Center . The Onam Kit was given to the needful and diseased persons

The teachers incharge of Nallapadam were awarded the certificate for exhibiting the activities in the school in an excellent manner. They received the award from Mr Gopinath Muthukard .

World Paper Bag Day:

As part of the World Paper Bag Day students conducted a street drama at Kazhakuttom Junction. The enacted the drawbacks of use of plastic bags and they distributed paper bags to them It was organized on behalf of Heritage club.

SPORTS

“To be a great champion you must believe you are the best, if you are not; keep on trying.”

Sports competitions inculcate the spirit of positive challenges and sportsmanship among the students and prepare them for the life ahead. Sports, games and physical fitness occupy a place of importance in our curriculum. Our students participated in different sports competitions and won medals, certificates and trophies. Mr G Krishna Kumar CI of police and Mr Tijo Francis, state Muay Thai title belt winner were the honoured chief guest of the occasion.

Sports Achievements

Our students secured 3rd place in Sahodhya Foot ball match. For the interschool sports competition we secured 3rd position in badminton tournament of boys We secured prizes for track events and also for the individual events also. Jessel Jhonson secured 1st place in shot put girls and Abnar .S secured 2nd place in shot put boys .For the track event Shivani secured 2nd place in 100 m girls and Shabin.s secured 3rd position in 50m in boys

Liya of grade 9th secured 1st place in poster making and Devika Shyam of grade 9th secured 1st place in preparing video promotion awarded with a cash prize of Rs 1000/-

International and national day celebrations:

All the important days were celebrated with the same spirit and videos were prepared by the teachers for creating an awareness among the students. Speech and poster making were presented by the students to show the importance of these days. Teachers days, Children's days, Kerala Piravi etc. were celebrated.

World Environment Day :

Nature holds the key for the aesthetic, intellectual, cognitive and spiritual satisfaction. Our environment day celebrations this year was led by our message revealed the importance of being eco-friendly. Mr Roshan Mohammed was the guest of honour member of Climate Hood Foundation.

National Yoga Day:Our school focus on the importance of the mental health of our students . So we had a yoga session with Mrs Seena Mol Yoga instructor who guide and instruct them and talks about the need of yoga in their daily life, .

Music Day:

Music Day was celebrated on June 21st with great pompous way. Anil Gopalan –music director was the chief guest and Mrs Kavitha, Mr Asif Rawther and Mr Madhavan Nair came as invited guest for the function.

Doctors are next to God in saving the life of the people. On behalf of Eco club school observed the day by conducting flash mob in KSRTC Kaniyapuram depot and Dr Kavitha Mary Varghese was honoured as the chief guest for the occasion.

National Sports Day was celebrated in the school to show the awareness of importance of sports in one's life. As part of this day the school conducted a Marthon Race for the students.Akshai V Martin won the first place in it.

Malayala Manorama Vayanakalari was inaugurated to enrich the reading habits of students. Malayala Manorama senior circulation inspector Mr Deepu, Mr Thaneesh ,Executive sales promoter and Nandakmar played the role of chief guest.

Independence day was celebrated in the school by hoisting the national flag and conducted various cultural programmes . The school organized a rally of students by displaying their talents and the tableau of senior students which reminds us the freedom fighters. All the students sung Sare Jahan Se Acha . Heritage club members took the initiative to organized

Say No to Drugs

To create an awareness programme on dangers of drugs abuse, a programme was conducted in the school. Mr Sajeesh.H Inspector of Police was the chief guest. School Protection Committee was formed on behalf of the programme .Ward member Mr Krishnan kutty, PTA president Mr Aravind .S, Principal, teacher representatives, and the student representatives.

On Teachers day the senior students of our school were assigned to take classes for the lower class students to show the importance of the role played by the teacher in their life .The best performance were given awarded by the principal on that day

Children's day was celebrated in the school by organizing different interesting and informative programmes to the students. Even the KG session celebrated this day by dressing up students as Jawarhlal Nehru and the teachers performed dances and skit to entertain the students . A message was given to the students.

Kargil Day: On behalf of Heritage club we celebrated Kargil day with a vibrant dance performance followed by a spectacular pyramid display .School house wise patriotic song competition was held in the school.

Kerala Piravi Day:

Patron's Day

A prayerful environment was created by Rev Fr Geevarghese Kaniaatra on Patrons day. Programmes were conducted in remembrance of Parumala Thirumani.

Vayanavaram was inaugurated on June by the famous Malayalam poet Mr Kalara Ajayan. He shared his life experience with students and also talks about the importance of reading.

Our school gives importance to inculcate values and customs in students so we celebrate all the festivals virtually without losing the true essence of it. We celebrated Onam by inviting Mr. Biju Bhahuleyan (cinematist) and Mr S.R Pradeep (upcoming artist) as our chief guest. They entertain the students with their talents.

Food Fest

This year we organized Food Dhamak 22k. It creates a knowledge in students to understand food culture and different cuisines. More than 25 indigenous food varieties were brought by the students. The money they got from the Food Fest was given for charity to show their social commitment and moral values.

Christmas Day

Rev Father Lee honoured as the chief guest for the Christmas celebration. His presence creates a blissful ambience in the school and he blessed our children. We conduct various competitions and entertainment programs also.

Book Explora

Reading a book is like exploring something beyond our vision. Our school organised a book fest with association with National Books for students to get familiarise with different genres of books.

E-magazine

This year MGM School Kaniyapuram came up with a new venture Brief Box where students can write their ideas and views in a good form and in different languages keeping in mind to develop the writing skills in children.

This year the school has launched a news channel On Track which updates all the activities and co-scholastic events that were happening in our school.

Fm radio

This year we also started a new venture FM station Dhawni Tharang which was inaugurated by Mr Alameen the chief news reporter of 24 news channel. The main purpose is to update all the news for the students.

As part of Kerala government Anti-drugs Human Chain MGM School Kaniyapuram also joined the hands against the use of drugs. Higher grade students were taken for the campaign.

Field Trips

Field Trip programme is an integral part of curricular activity to acquaint with contrived experiences. During the preceding session the students who belong to various clubs have been taken to different places to inculcate new ideas and thoughts in them. Our students visited different places like IFSRS Karamana, Planetarium in Trivandrum, Natural History Museum and art gallery in Trivandrum, Legislative assembly, Kerala Art and craft village of Kovalam etc. The literary club has arranged a trip to Koyikkal Palace in Nedumangad and also arranged a trip to Natural History Museum and art gallery. The Kindergarten students were taken to the Post office as part of the field trip. They got a rare opportunity to post cards to their dear ones.

School Exhibition

This year also we conducted the school Exhibition Vismaya 2022-23 to showcase the talents and new ideas in different fields of learning. There has been a healthy competition between the

departments. It provides a platform for the students to explore their potential. The exhibition was based on department wise.

The language department exhibits the things based on a theme cosmos of literature. They organized a language exhibition for three languages taught in the school wherein students of Grade I to X exhibited their creative skills in form of creating beautiful models, language games, charts, poems, Grammar rules, puppets etc. The in-charge teacher's and the students' efforts were displayed in the school's They also displayed the things which took us back those golden days of our life.

Maths Exhibition - Students enthusiastically participated in the Exhibition and made wonderful, amazing models on various topics. The students made different models both still as well as working models. Students of all classes participated and each class presented and explained the models made by them on different topics. It was clear children enthusiastically researched and were keenly took part in the Exhibition, the work presented by them in the form of models were monitored and made under the guidance of their teachers.

Science department: Science has become an integral part of the modern world without which the whole structure of the society, risks a collapse. A science exhibition is an interface of science and society and it contributes towards creating awareness about science as well as creating enthusiasm in students. The objective was not only to inculcate a scientific attitude and research- mindedness but also to enhance student's interest in science and technology. The students showcased static and working models, which could be used for teaching and learning scientific concepts. They brought external agencies as an add on to the exhibition.

Social Science exhibition showcased various models and charts as a part of their project based learning methodology. All the Classes displayed an array of models based on the topics- Indian mountains, Generation of hydro electricity, A volcano, Water cycle, Layers of earth etc. They created a replica of Egyptians mummies and Red Indian life in the exhibition which takes to the next level

There was a tight competition among all the departments and----- best department was awarded as the first.

Excursion

Excursions are important features of teaching and learning, which helps to think broadly and deepen their thoughts. This year grade IX th and X students had gone for three days trip in the month of December to Kodaikanal and Munnar. The Kindergarten students were taken to the Magic Land .The Lower grade students were taken to Happy Land and high school students were taken to GoGo land The students enjoyed the tour in the company of their peers so much that they just didn't want to return.

Kindergarten: Believing in the notion that every child is unique in nature with varying needs, they foster a conducive environment full of love, care, motivation and creativity, and instil in the children a desire to learn with emphasis on their social, emotional, physical, aesthetic, intellectual and developmental aspects, rather than criticism, fear and punishment. Giving exposure and extending various platforms to exhibit the innate talents of children is the prime principle of our school.

Curriculum and teaching: The kindergarten curriculum is child centred and follows thematic activity based learning. It is an innovative implementation of themes with fun filled learning activities like special events, games, etc. Here learning experience is joyful and successful.

Celebrations of Kindergarten

All the celebrations add joy to the life of our young toddlers. Celebrating the important days always helps to mesmerize the events in their life. Our teachers has given importance to create an awareness in children these days. They celebrated various days like green day , pink day , doctors day, kite day,

Fathers Day celebrated with at most joy and enthusiasm. Conducted various interesting games them and almost all of them participated in it.

Grandpa day

The Kindergarten celebrated Grandpa day by honouring the most aged grandpa and grand ma with Ponaada.

Yellow day

The Kindergarten celebrated the yellow day singing songs and organizing different programmes.

Fruits day;

They conducted a session on show the importance of having fruits in our life and its use. The children acts like different fruits and exhibit their talents ,

Deepavil K.G session celebrated deepavil by laying Rangoli in the open area. Diyas was lighted by the students and sweets were distributed among students It helps them to understand the importance of festivals in their life.

Hygiene week

Dr Shafna Sharafudeen.(chief dental surgeon) conducted a very interesting and interactive session with the students about the oral hygiene week.

Fashion fest : The Kindergarten teachers took the initiative to arrange a Fashion show for the parent and students. Award was given to the parents who won the fist prize

Flower show: On behalf of flower show they organized a fashion show for the kids were they have dress up in flowers. It was a tied competition among the students .

Conclusion

I am extremely glad at the fact that our students and teachers are leaving no stones unturned in working towards the advancement of our school. We also remain grateful to all the parents for reposing their unparalleled trust in us which propels us to march ahead with greater commitment and enthusiasm. We will continue our unceasing efforts to offer better provision of education for our community.

Words are inadequate to express our heartfelt gratitude to each one of you. We wish to express our most sincere gratitude and heartfelt thanks to all those who contributed their milestones to the making of this glorious institution. Since inception we have been blessed with visionary leaders whose imagination, insight and courage called forth the best in teachers and students alike and united them around a shared sense of purpose. Our thanks are due in no small measures to them. This report is much more than a statement of the school's activities and achievements in the last academic year. It is a reflection of the school ethos, an expression of the conviction and faith with which we pursue our goals and the very spirit with which we at present work. We work as a team to maintain and enhance the glorious tradition of this great institution.

Thank you all.
