PRINCIPAL'S DESK

Dear parents,

Warm greetings!

The golden years in school are not about lessons and homework but about growing and excelling in every way possible to fit into the fast-changing and fast-progressing world.

*Mrs. Uma V
Principal*

MGM undertakes the challenging task of moulding young impressionable minds into valuable assets of society, precious gifts to mankind, and pride of the human race. This is made possible by the one and only, our worthy Chairman, Dr. Geevarghese Yohannan, who is the exponent of this institution. It gives me great pleasure to express my deep sense of gratitude and respect for him for infusing confidence and a sense of enthusiasm in me and, above all, entrusting me with this challenging mission. Under his supreme guidance, we are providing holistic and quality education to our students.
